

PRIVACY POLICY

LTS BaudRate Optimizer Weather

Last updated: February 20, 2026

1. Introduction

This Privacy Policy describes the privacy practices for the LTS BaudRate Optimizer Weather application ("App", "we", "us", or "our"). We are committed to protecting your privacy and being transparent about how the App operates.

This App was developed to provide technical tools that run entirely on your device. We do not collect, store, transmit, or process any personal data from any user.

2. Data We Collect

2.1 No Data Collection

This App does NOT collect any personal or non-personal data. Specifically, we do not collect:

- Identification data (name, email address, ID numbers, postal address)
- Location data (GPS coordinates, IP address)
- Usage or behavioral data within the App
- Device information (model, operating system, unique identifiers)
- Financial or payment data
- Cookies or tracking technologies
- Communication data of any kind

2.2 Local Processing

All App features run entirely on the user's device (local processing). No information is sent to external servers, third parties, or any cloud infrastructure owned by us.

3. LGPD Compliance (Brazilian Law No. 13.709/2018)

In compliance with Brazil's General Data Protection Law (LGPD), we declare that:

- No personal data processing takes place within this App;
- No legal basis for data processing is applicable, as no data is processed;
- No international data transfers occur;
- No Data Protection Officer (DPO) is required for the purposes of this App.

Should this practice change in any future version, this policy will be updated and users will be notified in advance.

4. GDPR Compliance (EU Regulation 2016/679)

For users located in the European Economic Area (EEA), we confirm that this App performs no personal data processing as defined by the General Data Protection Regulation (GDPR). No

applicable legal basis exists, as no personal data is collected, stored, or processed. No data transfers to third countries occur.

5. CCPA Compliance (California Consumer Privacy Act)

For residents of the State of California (USA), we confirm that this App does not collect, sell, disclose, or share personal information as defined by the California Consumer Privacy Act (CCPA) and its amendments (CPRA). Since no personal data is collected, the rights granted under the CCPA — including the right to know, right to delete, and right to opt-out of sale — are not triggered in this context, but are fully respected in spirit.

6. Third-Party Services

This App does not integrate, by default, any analytics services, advertising SDKs, monetization platforms, or any third-party SDK that collects user data. Should a future version include third-party integrations, this policy will be updated accordingly before the release.

7. Children's Privacy

This App is not directed to children under the age of 13 (as defined by COPPA, USA) or to minors under 18 for purposes involving sensitive data (as defined by LGPD, Brazil). Since no data is collected whatsoever, there is no risk of improper processing of minors' data.

8. Security

Although we do not collect any data, we follow secure software development best practices to ensure the integrity of the App and protect users' devices against known vulnerabilities.

9. Your Rights

Even in the absence of data collection, we acknowledge and respect the data subject rights provided under applicable law, including rights of access, rectification, erasure, data portability, and objection. To exercise any right or to ask questions, please contact us through the channels listed in Section 11.

10. Changes to This Policy

We may update this Privacy Policy periodically to reflect changes to the App or applicable legislation. Any changes will be posted with an updated revision date. We encourage you to review this policy periodically. Continued use of the App after changes are posted constitutes your acceptance of the updated terms.
